

2021 RIESLING TROCKEN ESTATE

ESTATE – 21106

ESTATE

They say that you never get a second chance to make a first impression. Our ESTATE wines serve as that calling card, introducing the elegance and sense of place for which our Rheinhessen estate is known. The grapes are all grown in our own vineyards, cultivated bio-dynamically and tended by hand. They are exceptionally food friendly wines both in their youth and as they mature.

VITICULTURE & VINICULTURE

High quality wine doesn't come on its own. It starts in our vineyards with yield reduction, hand selection of the fruit and a variety of other biodyn-friendly measures throughout the year. In the cellar, gentle pressing is followed by traditional vinification methods. The wines are primarily fermented in traditional large barrels.

TASTING NOTE

Our estate Riesling is a full-time ambassador of its Rheinhessen roots. Grown on the limestone soils of Westhofen, it is an "true" Wittmann.

Uncompromising terroir wine - saline - herbal - sleek - yellow, dancing Riesling character

"From Westhofen's stonier soils and assembling 28 different vats, Wittmann's 2021 Riesling trocken Estate is the former Gutswein, but it's already a wine that is more than just a Riesling pleasure. The white-yellow colored wine offers a clear and spicy, pure and mineral nose with ripe, elegant fruit with herbal nuances. Mouthfilling, round and textured on the palate, this is a juicy yet pure, saline and finessed, very stimulating dry Riesling with delicate lemon bitters on the finish that reveals some ripe white-peach aromas on the aftertaste." – *Stephan Reinhardt, Robert Parker Wine Advocate*
